This years dedication goes out to Mr. Casterson, he is more that just a teacher to us. He tries his hardest to help in anyway he can. When ever one of us needed a listening ear, he was always there, or if we really needed help in class, no doubt he was always standing by our side. That is why so many of us have grown so fond of him. And as we leave this school Mr. "C" will always remain one of our closest friends.

He always looks out into the best interest of his students, and never underestimated them.

Biology, A&P, and Phisics are his favorite, and he spends alot of time to make sure his point was across!

There's really not a word good enough to say thank you, but the annual staff extends their most loving heart toward you! Thank You Mr. "C".

# VERA/MARI

I came over to the United States of America with the A.F.S. goal, "Walk together. Talk together.", in mind and I am trying to be open minded about American customs and friendship. There are a lot of differences between my school in Germany and Gonzales Union High, like the time I spend at school in Germany is shorter, but we have classes on Saturday. One of the things I like at Gonzales Union High is the more personal relationships between teachers and students. Although I have to work hard, I am having alot of fun and hope to make many lasting friendships.

Vera Grandetzka

Hi, I'm Mari and I'm the foreign exchange student 1983-1984. from Finland. I live with the Jones and they are a nice family, I couldn't ask for a better family. I enjoy being here and I think it is a great opportunity to have a year in a foreign country: to learn the American way of living and get new friends. The school is different here from in my country, but I like to go to your school. The way of living seems to be the same, but maybe later I can see more differences. The people are nice and friendly and I'm thankful for all the people who make my year boss.

*Andre Brooks*

# *"In Memoriam"*

We were privileged to have a special person such as Andre touch our lives, both as a student and as a friend. He had the ability to light up our lives; therefore it is harder than usual for us to write this memorial. We have been enriched by Andre's contributions-his creativity, his belief in people doing 'their share' of work, and his enjoyment in working with his hands.

Andre was a very creative photographer. He often captured the beauty of nature and life through his many prize winning nature and wildlife photos at the Salinas Valley Fair. He had two best of show winners while in high school.

Andre experienced the joy and satisfaction of giving thru his artistic effort and doing work with his hands. He did jobs because they needed doing-not for material rewards and recognition, but very unselfishly. Satisfaction for Andre was knowing he had done a 'good job'.

We are grateful for the time each of us had to know Andre-as a child-a young adult-a student-and a person-and will not forget the good things he stood for. Andre will remembered not only for his contributions, but also his ability to touch our hearts.

Ernestine and Ed Dunstan

Andre Brooks was a friend, he gave us memories which will live forever in our hearts.

Now all of us, Andre's friends, should strive to complete the things that he left undone; to carry on the ideals and beliefs which he supported: to live our lives in a manner which would make him proud to call us his friends.

By doing these things, Andre Brooks will never die, but rather, he will live in the lives of all of us.

The Yearbook Staff

# AUTOGRAPHS

This years annual took on a whole new staff to produce a book that we are all so very proud of. I've really grown to care about the whole staff, I know many times all anyone ever heard was my voice shouting, but it's all worth it now, being editor was one of my biggest priviledges and I enjoyed it. Meeting our deadlines, and making sure things turned out just right was the hardest task of all. I thank each and everyone of you for making my year great. I wish all the best toward next years annual, hoping they do as well as we did.

# *CHEERLEADING*

This year the Gonzales Spirit Squad made it great in Santa Barbara. They came home with many awards. One special award the Cheerleaders got was the Spirit stick for their technique (sharpness). The most prestigious award a squad can receive is the Superior Trophy. Both the J.V. and Varsity cheerleaders were honored with one of these awards. The Songirls were also awarded with a certificate of participation. The Spirit Squad would like to thank Mrs. Rae Cooper for all her support and kindness throughout the year. WE LOVE YOU MRS. POOPSIE!

SAXON TRIUMPH

The students here at G.H.S. had no problem relating to the words, "Make It Great" because that's exactly what they did to prove that this year's rallies caught the Spartan Spirit and got everyone's participation going. To start the year, the first rally was themed "Make It Great" but our spirit doesn't stop there, The Hawaiian Rally had a great turn out. But our Hard Rock Rally took it all when not one person took the time to sit aside. There was the Halloween Rally that got more laughs than we can count. The participation and attendance at the rallies were better than they've ever been. There's never been a year like this one."

The 1984 volleyball team played hard and won some tough games. We worked as a team and developed some fine talent in a young but tough squad. We are looking forward to next season, but will miss four starting Seniors Mary Doyle, Kat Quiane, Elsa Pina, and Vera Grandezka.

Rebuilding a team after a winless season is no easy task, but the runners made significant progress this season. Although the team didn't get going until mid-season, when we had all the top runners in shape, the team represented G.H.S. well by scoring 3 victories over York, K.C., and Alisal.

The Spartan wrestling team was a small but mighty force at Gonzales this year. We travelled to some tough tournaments and hosted the annual Dick Force Invitational. We had some consistant winners on our varsity team including Ian Parham, Manuel Martinez, and Martin Martinez. Although we will be losing some excellent seniors this year, we have high hopes for the younger members of our squad in the year to come.

The J.V. Girl's Basketball team has two returning players from last year who provided skilled leadership and experience. The freshman have really worked hard and developed into tough, quick defensive unit. We have has several very close looses against very good team. Our shooting has improved. The team is up 20% since the start of the season. Our field goal shooting is coming a long if these girl's skilled continue to develop, they will become a top placed team. They are a real pleasure to worked with.

The girls' varsity has shown most improvement over the year, and despite their 6 and 12 won - lost record should be a strong factor in league play next year as 7 of the 10 players will return.

This was an up and down season. It started off in a great style. The team won its first two games in the Morro Bay Tourney, where it took second place. The team took second in the Gonzales Tourney as well. In league play, after 2 poor games, they won 2 in a row. From this point on, league play didn't fair very well. The Spartans played very good at times during this season, as a final 1 point victory over King City proved.

Seniors- Standing: Efren Gallardo, David Robinson, Tim Mathein, Albert Camacho, Gonzalo Raya, Eddie Schmidt, Kneeling: Joe Bolosan, Humberto Martinez, Albert Jaramillo, Luis Canchola. (not pictured: Ranel Gaton, Alex Raucho.)

Standing: Sylvia Alfaro, Caroli Ramirez, Noami Yonemitsu, Lorraine Duron, Deyara Raucho, Ofelia Fontanilla, Judy Kurano, Sally Yoshimura, Nora Lopez, Maria Nungaray, Connie Martinez, Mary Banuelos, Connie Nungaray, Lupe Montes. (not pictured: Christine Cochran, Lorena Salinas, Loreta Cramer, Aurora Padilla.)

The Gonzales High Track is composed of three divisions; girls Varsity; Boys Varsity and Boys f/s divisions. The encouraging aspect of the team for 1984 is the large numbers of Freshmen and Sophomores who are out for track this year making the boys f/s division very strong and helping the Varsity girls division have more depth than last years girls team with 22 total members out for girls track this year. Returning girls standouts are Judy Kurano, Ofelia Fontanilla, and Sally Yoshimura. The varsity standouts are Jesus Santos, Alex Raucho, Gonzalo Raya, Humberto Martinez, David Robinson, Tim Mathien, and Albert Jaramillo. Jake Cabrera, Rudy Dominguez, and Mark Ludes are the f/s Boys standouts and the rest are very promising Freshmen. This will be a good year for Gonzales High Track Program.

Left to Right: Randall Smith, Omar Villa, Rudy Dominguez, Jake Cabrera, Yuki Kurano, Dennis Yonemitsu, Henry Gasca, Manuel Boloson. # *Hollywood We Come Here*

ANNIE. Annie is a name as familiar to us as baseball and apple pie. We're all familiar with cute little red headed orphan that adopted by a billionaire industrialist Daddy Warbucks. We know how mean Ms. Hannigan, the house-mother of the orphanage, and how mean her brother, the sly rooster Hannigan with girlfriend Lily St. Regis tried to pose as Annies' parents to swindle Daddy Warbucks out of fifty thousand dollars. But good triumphs over evil once again.

This year Mr. Wollman decided to do a show that was worth the work. He decided on "ANNIE", G.U.H.S. is one of the first high schools ever to perform this show. Our sincere thanks to Mr. Wollman, our director, for pushing us to do it right.

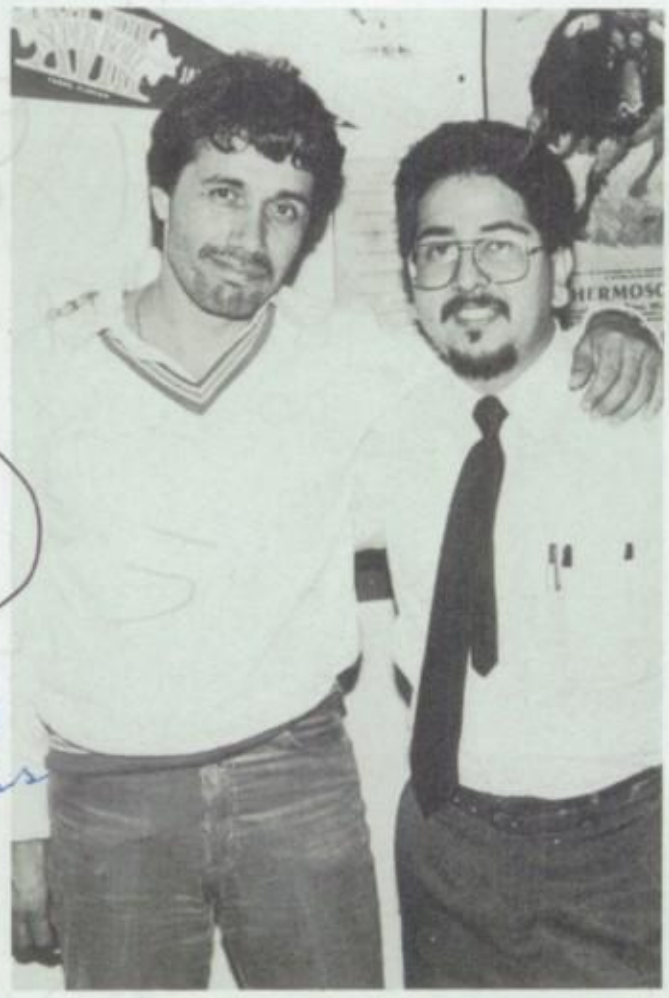
This year the Chicano Student Union would like to recognize a special person in our club who is like a father figure to us and cares about what we do and how we do it. This person



made CSU week and the Youth Conference possible. This person is none other than Mr. Romero our CSU advisor. He is a person who cares about youth activities and to prove that, he coordinated an excellent conference. The conference was to promote higher education and to encourage students to further their education and they were given the opportunity at the second Annual Youth Conference. I would like to thank the CSU members past and present for a job well done at the conference in putting out as much time as they did, they did a wonderful job.

Thank You,

Beto Mottu
